

Representative Todd Polinchock 144th Legislative District

Representative Polinchock's District Office is looking for a couple of legislative Interns to assist in our office. This opportunity is a great chance to learn more about the Pennsylvania House of Representatives and the services the Chalfont District Office offers to the community. While this Internship is not paid, it can be valuable as a learning experience for any individual or student who is interested in serving the community through a future in public service.

If you are interested, please fill out the form and a staff member will reach out to you to follow up for additional information. If you have any questions, please call my office at 215-822-1840. Completed forms can be emailed to Kyra at krumble@pahousegop.com
